

The holiday season is a time to take pause, come together, and create memories with those around us. The Tree of Shining Love provides a unique opportunity for our community members to come together and honor the special people in their lives by participating in this annual tribute ceremony. By doing so, participants are also supporting a worthy cause that will strengthen the quality of healthcare services provided to the community by Aspire Marlette Regional Hospital.

A Tree and various holiday decorations are utilized to display beautiful adornments and give recognition to our sponsors and individuals, along with their loved ones that they wish to honor or memorialize during the holidays. This display remains up throughout the season. Those honored and memorialized, and their sponsors, will be recognized in a special presentation at the Tree of Shining Love Ceremony, at the Heartlands Community Center in Marlette, on December 8, 2024, 1-2pm.

Please consider supporting this year's event with one of the following Sponsor or Tribute charitable contributions in honor or in memory of someone special (See reverse side for giving details).

2024 Honoree

Join us as we pay special tribute to Sue Cook and the many dedicated volunteers of the Caring Hearts Health Clinic at the Tree of Shining Love.

The CHHC has been instrumental in getting healthcare into the hands of everyone, regardless of income.

2024 Benefit Project

This year's event proceeds will support the Marlette Hyperbaric Chamber Project for the MRH Wound Clinic. Hyperbaric oxygen therapy involves exposing the body to 100% oxygen at a pressure that is greater than normal to promote healing of wounds and conditions that are difficult to heal without this intervention. This service is greatly needed in our thumb region.
